

CLEAN UP KARDAN ANNUAL EVENT

Dear Parents/Carers

The Student Representative Council and Waste Warrior Team for 2023 continue to support the West Byford Waste initiative and embrace their role as young citizens to care for our environment. These students have expressed interest in giving back to the community by participating in the annual event 'Clean Up Kardan'. Kardan Boulevard, identified as a litter 'hot spot', continues to be voiced as a concern by our school community.

On Friday, 1st December, 9am – 11:00 am, we will be walking down Kardan Boulevard with the Pre-Primary to Year 6 SRC and the Waste Warriors picking up rubbish to clean up, making a difference to our local environment. We will walk a loop, down Kardan Boulevard, stopping at McDonald's for a refreshment and then making our way back to school.

Students will be briefed before the walk on road safety and the safe collection of rubbish to not cause harm (glass, needles etc.). Students will be wearing gloves, taking rubbish bags, and being required to wear their school hats. We ask that students bring \$5-\$10 for McDonald's in a clearly named envelope. I will collect this from the students before the walk and carry it in my backpack.

Please ensure your child's medical history is up to date. If you *do not* want your child to participate in Clean Up Kardan, please email liam.parkinson@education.wa.edu.au by Thursday, 30th November or call 9526 6550.

I look forward to working with the wonderful Student Representative Council and Waste Warriors of 2023 to make a difference in our local community!

Kind regards

Mr Liam Parkinson
Deputy Principal
