

2022 Staff Appreciation Day

Dear Parents/Carers

On Friday, 28th October West Byford Primary School will be recognising all our incredible staff by celebrating **Staff Appreciation Day!**

Teachers and School Staff have shown great resilience over the challenges of the past few years, all so they can give Australian students the best future possible. It's reinforced the significant role school communities play in the lives of children and students, and their families.

This day is an opportunity for students to thank any and all staff members at our school by writing and drawing about them. The appreciation templates are available to download online and print to complete at home. Hardcopy templates are also available from the wonderful office ladies.

Students may be given time to complete this activity in class, however it is not compulsory. They are not limited to one, in fact, the more they create, the more joy and appreciation is spread. I would like to encourage you to ask your child to not only thank teachers but include all staff in our school that make it the wonderful place it is. You may even like to complete one of our 'Parent Appreciation' templates.

Please return completed appreciations to our office ladies by 2.40pm Wednesday, 26th October.

Kind regards

Alexandra Stumpf
Health & Physical Education Specialist
