# Create a photo frame for a family picture.

- Glue the template onto some card (you could use a cereal box)
- Be creative, you could use shells, leaves/nuts from the garden, pasta or any other interesting items.
- Take a picture and upload to Dojo, so we can see your beautiful work!

# Create a 2D Shape Face Art Activity

Choose and cut out a large shape that you would like to use for the head. Cut out and glue a variety of other 2D shapes to create a face. Use a tally or total sheet to record how many of each 2D shape you have included in your 2D face artwork.

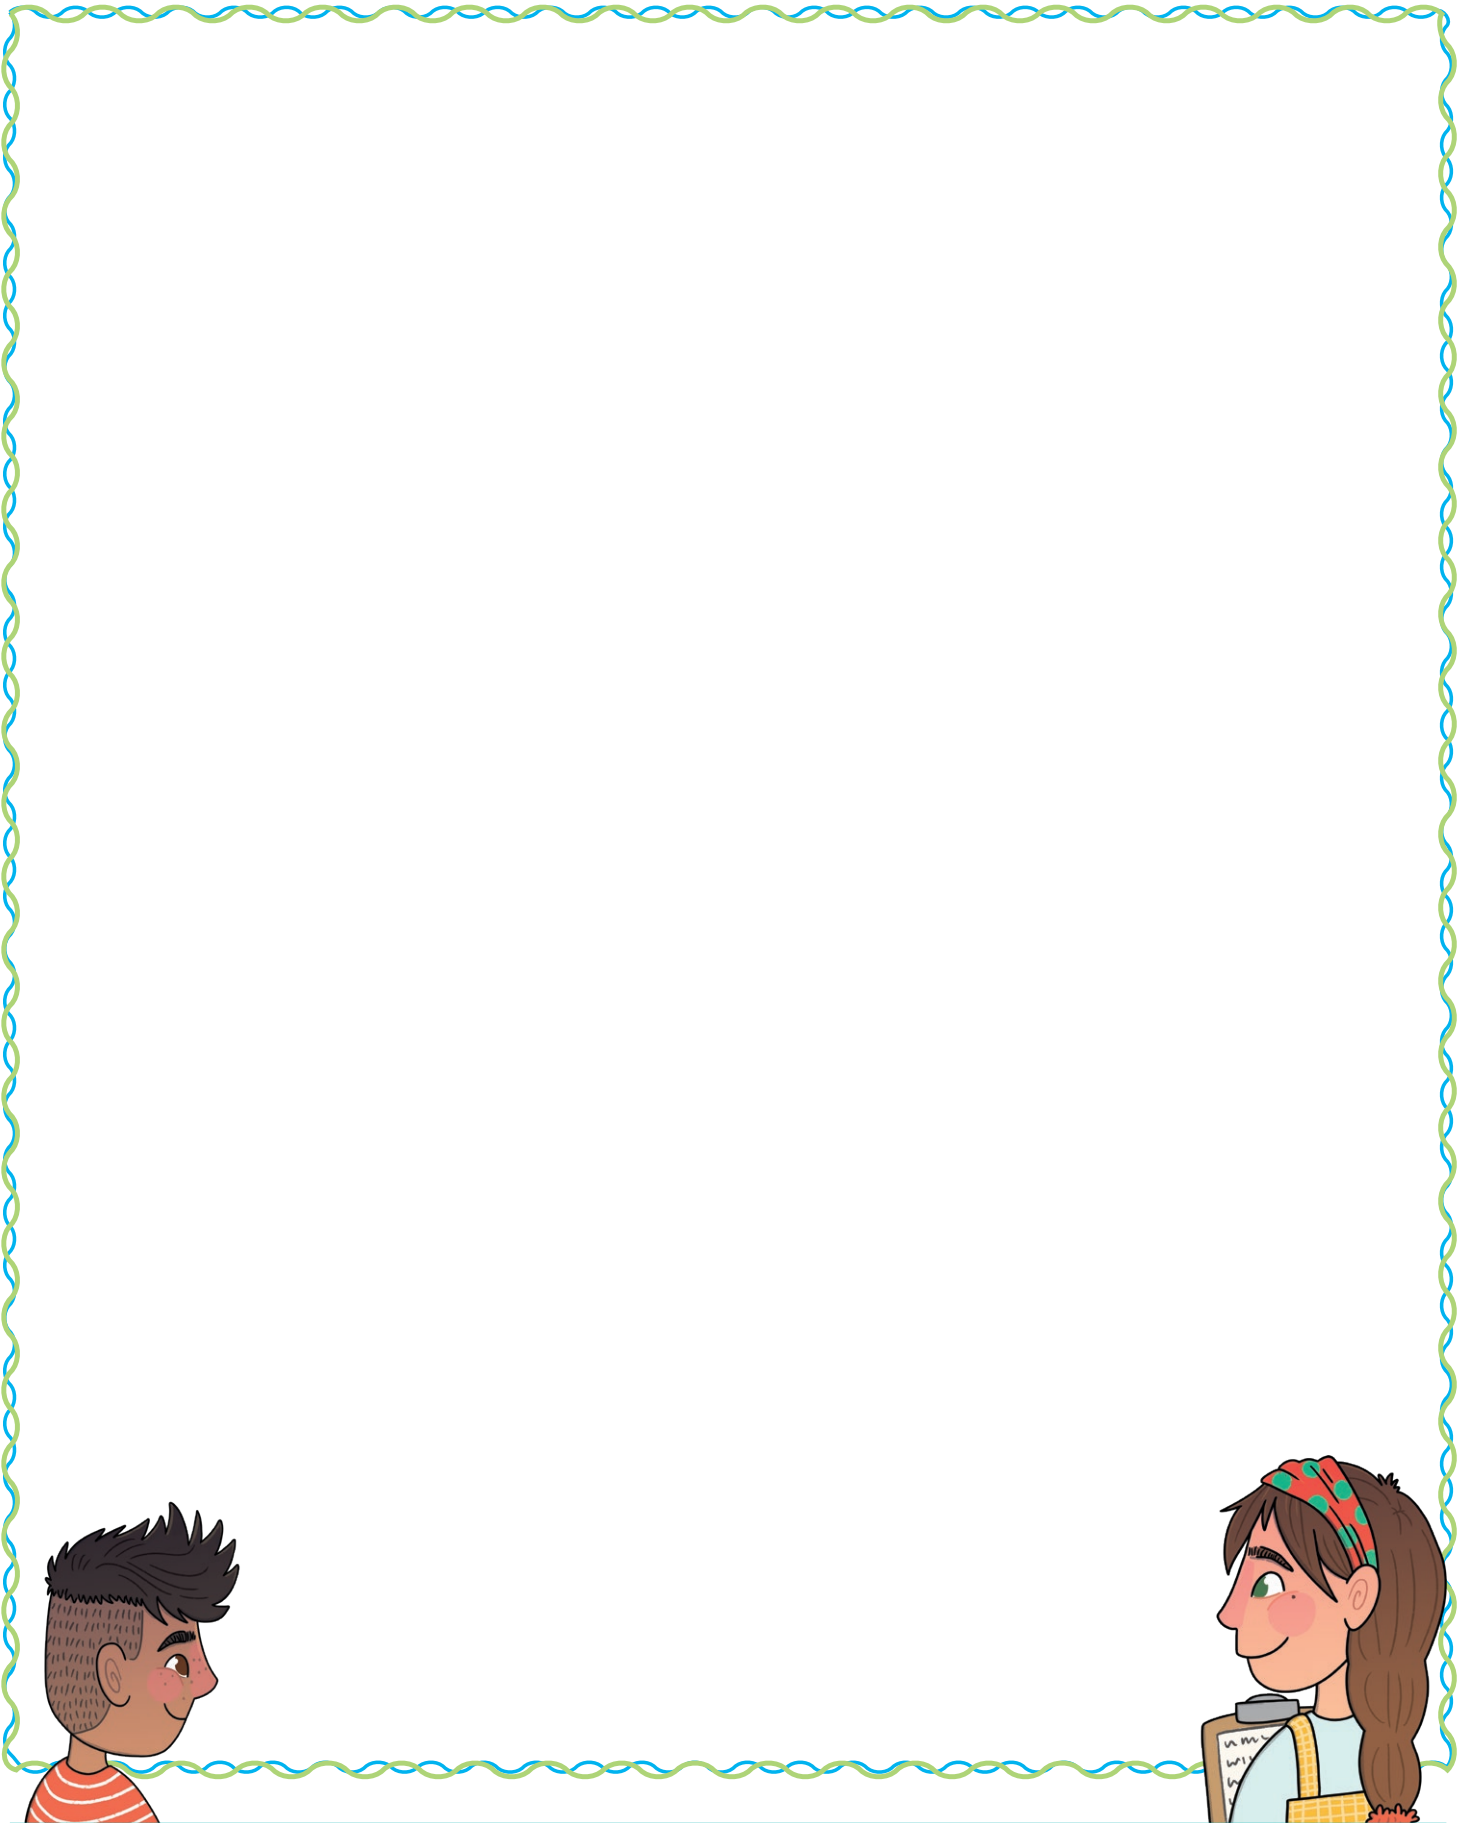

Here is an example, do you remember 'Embarrassed Harris'?

Shapes: circle, triangle, square, rectangle, pentagon, hexagon, octagon
