**Cricket Skills**

***Batting***

## Skill Explanation

### Batting

In cricket, batting is the act or skill of hitting the ball with a bat to score runs and prevent the loss of one's wicket. During an innings two members of the batting side are on the pitch at any time: the one facing the current delivery from the bowler is called the striker, while the other is the non-striker. Batting tactics and strategy vary depending on the type of match being played as well as the current state of play. The main concerns for the batting players are not to lose their wicket and to score as many runs as quickly as possible.

## How to show us!

Please create a video of yourself doing this skill and upload it to your class dojo portfolio.

You can practise this skill using any bat or a rolled up newspaper/magazine.

Remember – ask you parents/guardians for some safety rules if you're doing this inside. We suggest going out into the backyard for this activity, if you can.

Send Mrs Bastick or Miss Stumpf (whoever teaches you for PE) a dojo message to let us know that you have completed it.
