

## Kindy Week 10

### Day Two

#### **Literacy Activity:** *Talking about Sounds - Listening walks*

- This is a listening activity that can take place indoors or outdoors. Remind your child about the things that good listeners do (e.g. keep quiet, have ears and eyes ready).
- Encourage the children to listen attentively to the sounds around them. Talk about the different sounds they can hear.
- After the children have enjoyed a listening walk indoors or outdoors, make a list of all the sounds they can remember.
- The list can be in words or pictures and prompted by replaying sounds recorded on the walk.

#### **Colouring Activity:** *Easter Egg Colouring*

**Task Instructions:** Colour and assist your child to cut out the Easter Egg. Adult may hold the paper for the child but models the 'Thumbs Up' technique for holding paper with the non-cutting hand. Adult gives verbal guidance: "Open the scissors. Push the blades forward. Shut the scissors."

**Alternative:** If you do not have paint at home your child can colour in the picture.
