Physical Education

Term 1

Week 10 – Year 1

Fundamental Movement Skills

Dodging

Skill Explanation

Moving the body quickly in a different direction to the original line of movement is known as dodging. These movements are important in a variety of tag and dodge playground games and ball games, such as basketball, soccer, and netball. An effective dodge is important to avoid collisions with other people and objects and to get away from an opponent.

Skill Criteria Checklist:

1.	Changes direction by bending knee and pushing off the outside foot
2.	Change of direction occurs in one step
3.	Body lowered during change of direction
4.	Eyes focused forward
5.	Dodge repeated equally well on both sides
6.	Changes direction by bending knee and pushing off the outside foot
7.	Change of direction occurs in one step
