

Voluntary Contributions & Charges - 2025

Dear Parents/Carers

Our 2025 Voluntary Contributions and Charges are listed below. We hope this will be helpful when calculating costs for the coming school year.

Voluntary Contributions

Once again we have kept our Voluntary Contributions at \$40.00 per year for Kindergarten to Year 6 students. This is less than the \$60.00 maximum amount per student set down in the School Education Regulations 2000. While contributions are voluntary, the quality of our teaching and learning programmes is maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Commonwealth Governments. Payment options are available i.e. paying as part of your child's requirements list, EFTPOS, direct deposit, cheque or cash.

Excursion & Incursion Activities - 2025

A breakdown of maximum estimated charges for excursions and incursions for next year is listed below. You will not be charged **more** than is stated below, but will more than likely be charged less. Students will only incur these costs if they are involved in the particular activity. Behaviour incidences or non-payment by the agreed date will exclude students from participation.

Payment will be requested when necessary throughout the 2025 school year and no payment is due now.
