

Walk Safely to School Day

Friday 17th November 2023

Dear Parents/Carers

West Byford Primary School will participate in Walk Safely to School Day on Friday, 17 November. All students are welcome to meet at the park at the corner of Ballawarra Avenue and Wundi Way (Ballawarra Reserve) to walk together safely to school. **Please note: A parent/carer/trusted family friend must accompany students who participate.**

Walk Safely to School Day asks that we all consider our transport habits and try to incorporate more walking as part of a healthy, active lifestyle. Although walking to school may not be realistic for some families, it's quite easy to succeed in incorporating a walk into your family's daily routine.

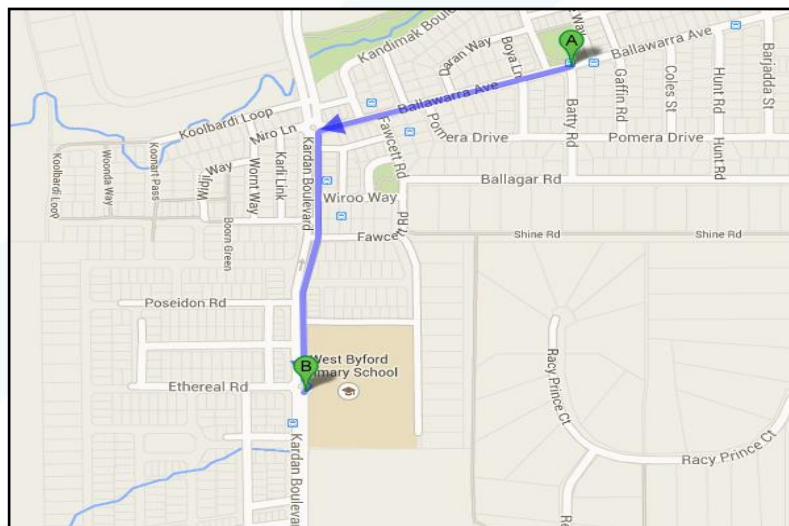

A healthy breakfast snack will be available at school, served by the P and C Association, for a gold coin donation.

As a Sun Smart School, we recognise the importance of sun safety and encourage participating students to wear their school hat throughout the event. Remember to Slip, Slop, Slap, Seek, and Slide when the UV is 3 or higher!

Where to meet: Ballawarra Reserve - The park at the corner of Ballawarra Avenue and Wundi Way, Byford
Date: Friday, 17 November 2023
Time: 7:25am (commence walking at 7:30am)

At the park, each student will be given a participation sticker. When in class, students can fill in a raffle ticket for walking safely to school to go in the running to win a prize!

The walk is approximately one (1) kilometre long, following footpaths.

I look forward to seeing you there!

Alexandra Stumpf
Physical Education Teacher
