

Date: \_\_\_\_\_

# Local Government

Who is your local government/council?

\_\_\_\_\_

Who is your local mayor?

\_\_\_\_\_

Use the websites from your teacher to research the services and events that your council provides. Write them below.

Choose three services and one event from your list and complete the table below.

What is the service?	Why does it exist?	Who benefits from it?
Rubbish removal	To keep the community clean and healthy.	Everyone in the community

What is the event?	Why does it exist?	Who benefits from it?
ANZAC Day service	For the community to show respect for people who fought in wars.	Everyone, it reminds us of the sacrifices people have made to keep our country safe.

# Equivalent Fractions

These fractions are equivalent. The rectangles are the same. The amount shaded is equivalent.

Write the shaded fraction for each rectangle. Cut each section out. Match the rectangles with the equivalent amount shaded and stick each equivalent set together in your book.

 $\frac{\quad}{6}$	 $\frac{\quad}{12}$	 $\frac{\quad}{6}$
 $\frac{\quad}{5}$	 $\frac{\quad}{10}$	 $\frac{\quad}{8}$
 $\frac{\quad}{4}$	 $\frac{\quad}{18}$	 $\frac{\quad}{3}$
 $\frac{\quad}{4}$	 $\frac{\quad}{9}$	 $\frac{\quad}{24}$

Name: \_\_\_\_\_

## Subtraction With Partitioning

$159 - 19 = \underline{\quad\quad\quad}$

$94 - 44 = \underline{\quad\quad\quad}$

$245 - 13 = \underline{\quad\quad\quad}$

$84 - 34 = \underline{\quad\quad\quad}$

$733 - 32 = \underline{\quad\quad\quad}$

$622 - 22 = \underline{\quad\quad\quad}$

# Physical Education

Term 1  
Week 6 & 7 – Year 4  
Cricket Skills  
*Batting*

## Skill Explanation

### Batting

In cricket, batting is the act or skill of hitting the ball with a bat to score runs and prevent the loss of one's wicket. During an innings two members of the batting side are on the pitch at any time: the one facing the current delivery from the bowler is called the striker, while the other is the non-striker. Batting tactics and strategy vary depending on the type of match being played as well as the current state of play. The main concerns for the batting players are not to lose their wicket and to score as many runs as quickly as possible.

## Skill Example

Watch this video link to learn how to bat in cricket!

[Link](#)

Before practising this skill, follow this video link for a short cardio warm up. You can get your whole family to do this with you!

[Link](#)

## How to show us!

Please create a video of yourself doing this skill and upload it to your class dojo portfolio.

You can practise this skill using any bat or a rolled up newspaper/magazine.

Remember – ask you parents/guardians for some safety rules if you're doing this inside. We suggest going out into the backyard for this activity, if you can.

Send Mrs Bastick or Miss Stumpf (whoever teaches you for PE) a dojo message to let us know that you have completed it.

### Extension

Let us know something you found interesting about this task.

What challenges did you face? How did you overcome them?

Did you modify it?

How did your body feel before and after the task?

**Activity****The Three Levels Of Government 1**

- Read the information, then answer the questions below and complete the task on page 8.

There are three levels of government in Australia. They are: local, state/territory and national/federal. Each level of government has a different role to play and has different responsibilities. The table below outlines general roles and responsibilities.

Local Government	State/Territory Government	National/Federal Government
Waste disposal	Schools	Taxation
Libraries	Hospitals	Immigration
Footpaths	Police	Trade
Parks, pools and ovals	Public transport	Defence
Building approvals	Making roads	International relations

1. Decide which level of government takes responsibility for the situations shown below.

The local library is being extended.

**Level of government:**

\_\_\_\_\_

The grassed oval at the end of your street is being developed.

**Level of government:**

\_\_\_\_\_

Australian soldiers are pulled out of Afghanistan.

**Level of government:**

\_\_\_\_\_

2. Write down three more examples which would be a local government's responsibility.

- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_

**Activity****The Three Levels Of Government 2**

- Look at the table on page 7 again. It outlines the general roles and responsibilities of the three different levels of government. Use the table together with your own knowledge to decide which level of government takes responsibility for the situations shown below.

**1**

You apply for a passport to go on holiday to Bali.

**2**

A new children's hospital is built in Western Australia.

**3**

A group of 200 asylum seekers arrive on Christmas Island.

**4**

The people of Australia are asked if they want to become a republic.

**5**

A water main bursts, flooding the central business district in Sydney.

**6**

The City of South Perth changes its bin collection day from Friday to Monday.

**7**

The shire of Bega Valley increases car parking patrols during January.

**8**

A national program encouraging parents to read to their children is started.

**9**

Police in Victoria are to receive new powers to tackle crime.

HASS - YEAR 4  
CIVICS AND CITIZENSHIP

WEEK 6

Recap:

The three levels of government:

**FEDERAL:** The Prime Minister is the leader of the federal government. It consists of the House of Representatives (150 members representing the divisions or electorates) and the Senate (12 senators representing a whole state or territory). They make laws for the whole of Australia and manage foreign affairs, social security, industrial relations, trade, immigration, currency and defence.

**STATE/ TERRITORY:** Each state government is led by a Premier and each Territory is led by a Chief Minister. They are made up by either one or two houses known as the Legislative Assembly/Council or House of Assembly. They are responsible for justice, consumer affairs, health, education, forestry, public transport, main roads and making laws.

**LOCAL:** Mayors or Shire Presidents are the leaders of local government which is usually called the city council or shire council. They are responsible for local road maintenance, garbage collection, building regulations, land subdivisions, public health and recreation facilities. They make by-laws for their region or district.

Law Makers:

Let's watch this clip about how the government makes a law.
