

# LESSON PLAN AND RESOURCES

Term 2  
Week 3 - Kindergarten

Friday 15<sup>TH</sup> May

## MORNING GREETING

Class Dojo

## DAILY FITNESS

Have a running race with your child. You could also have a skipping, hopping, jumping etc. race.

## LITERACY ACTIVITIES

We are learning to identify and name farm animals.

Look at some pictures or videos online of farm animals. Ask your child to choose their favourite animal and draw and colour a picture of one.

Upload a photo of your child's picture to their ClassDojo portfolio.

**and / or**

Ask your child to name as many farm animals as they can.

**BONUS:** ask your child to make the sounds of all the animals that they have named.

## MORNING TEA

## NUMERACY ACTIVITIES

We are learning to recognise and draw squares.

Provide your child with pre-cut squares of different sizes. Help your child to create a picture with the squares. Talk about the features of a square such as "it has four sides", "it has four corners" and "all the sides are the same length".

Upload a photo of your child's square picture to their ClassDojo portfolio.

**and / or**

Send your child on a square hunt around the house. They can bring the squares they find and put them in a pile or make a square with them.

## LUNCH

## PLAY, LAUGH 'N' CREATE

We are learning to use our fingers to manipulate objects.

You will need an empty paper towel roll and some elastic bands or hair ties. Ask your child to stretch the elastic bands and put them on the end of the empty paper towel roll. See if they can put seven elastic bands on the paper towel roll. Ask them to remove the elastic bands too. You may need to hold the end of the paper towel roll while your child is taking the elastic bands on / off.

**and / or**

Ask your child to choose a very small toy, and wrap it in alfoil. Encourage them to use their hands to scrunch the alfoil into a ball around the toy. Ask your child to carefully unwrap the toy again.
